I (used to) know Justina. She plays it down the middle. Could be that someone has suggested there might be a waiver/exceptions process - again, may be worth covering that base.

Subject: Question on Former Employee

Beth,

I wanted to let you know that I contacted Justina Fugh, who is our lead ethics General Council. I did not hear back from her today but I will follow up with an e-mail to her tonight. However, in considering the facts you provided, I think there is a potential issue with 18 U.S.C. 207, Restrictions on former officers, employees, and elected officials of the executive and legislative branch. I will let you know what I hear from Ms. Fugh. Thanks!
